visited Dec. 11, 2015).

Authenticity of exhibits and publicly available documents

50. The parties stipulate that documents publicly available from government entities

in either hard or electronic copy are authentic and admissible for evidentiary purposes even if

such documents are not presented by the custodian.

Miscellaneous

51. The parties stipulate that the document attached to these stipulations as Exhibit A

accurately reflect data updated and publicly produced on December 12, 2014, by the North

Carolina Association of County Commissions (NCACC), which reports the method of

election used by each of North Carolina's 100 counties to elect its board of county

commissioners. That data is available on NCACC's website at:

http://www.ncacc.org/195/County-Election-Methods
