LEGISLATIVE LEADERS' NOTICE OF FILING

Speaker of the North Carolina House of Representatives, Tim Moore, and the President Pro Tem of the North Carolina Senate, Phil Berger (hereafter, "legislative leaders") hereby file the following exhibits requested by the Court in its August 2, 2016 hearing:

1. Exhibit 1 is an illustrative map for a seven district plan for electing members of the Wake County School Board and the Wake County Board of Commissioners.

2. Exhibit 2 is the standard stat pack that is attached to all plans considered by the North Carolina General Assembly. It includes population data, demographic data, and political data by district for the seven district plan for electing members of the Wake County School Board and the Wake County Board of Commissioners.
3. Exhibit 3 is an illustrative map for a two district plan for electing members of the Wake County School Board and the Wake County Board of Commissioners.
4. Exhibit 4 is the standard stat pack that is attached to all plans considered by the North Carolina General Assembly. It includes population data, demographic data, and political data by district for the two district plan for electing members of the Wake County School Board and the Wake County Board of Commissioners.

The legislative leaders have a USB flash drive in their possession that contains the bloc assignment files for the above-described exhibits. Because of their format, these files could not be filed electronically with the Court. As a result, the legislative leaders will be hand delivering a copy of the USB flash drive containing the block assignment files to the Clerk of Court and counsel for all parties.

While the legislative leaders will be delivering the bloc assignment files to the Court and counsel, all interested parties should be aware that these file may only be accessed through a software program known as Maptitude, or a similar GIS-based redistricting program. Should the Court so desire, the legislative leaders will make available to it a computer with these capabilities. At the Court's request, the legislative leaders can also assign a member of the General Assembly's non-partisan, professional staff to assist the Court in accessing and evaluating the information.

This, the 3rd day of August, 2016.
