**Matters to be Considered at the Scheduling Conference:** The purpose of the scheduling conference is to review the joint status report and to explore methods of expediting the disposition of the action by: establishing early and ongoing case management; discouraging wasteful pretrial activities; establishing limitations on discovery; facilitating the settlement of a case; establishing an early, firm trial date; and improving the quality of the trial through thorough preparation.

**Presumptive Limitations:** In accordance with Rules 26, 30 and 33 of the Federal Rules of Civil Procedure, the Court requires the following in the absence of good cause for deviation:

Rule 26(a)(2) expert witness reports will be required before the close of discovery;

Interrogatories will be limited to 25 per side and depositions will be limited to 10 per side, each of no more than 7 hours duration.
