Hearing on the Final Report

The parties are advised that the Special Master has reviewed all of the plans submitted on September 18, 2015 and the responses submitted on October 7, 2015. Pursuant to the Court's instructions, the Special Master is considering the plans or modifications thereof to the end of offering a redistricting plan to the extent necessary to cure the constitutional infirmity that was identified in the Memorandum Opinion dated June 5, 2015 (Docket No. 170).

Further, to date, the Special Master has considered alternative plans without regard to the residences of the incumbents and the Court has now instructed the Special Master to take into consideration the residences of incumbents in assessing a plan or plans that are to be submitted by the Special Master to the Court for review.

The Clerk is directed to send a copy of this Order to the Special Master.

It is so ORDERED.
