ORDER

---

Upon consideration of the motion to proceed on the original record or, in the alternative, for leave to proceed with a deferred appendix, the court denies the motion. The motion to proceed on the original record is denied because such motion is disfavored by the court and may not provide the court with the necessary

information to decide the case in a thorough, but expeditious manner. In light of the pending motion to expedite, the motion to file a deferred appendix is denied, because the filing of a deferred appendix pursuant to Federal Rule of Appellate Procedure 30(c) necessarily delays the briefing schedule.
