ORDER

On February 13, 2017, the undersigned granted Plaintiffs’ Motion to Compel Defendants’ Production of Documents Responsive to Plaintiffs’ First Set of Requests for Production, Defendants’ Responses to Plaintiffs’ First Set of Interrogatories, and Defendants’ Answers to Plaintiffs’ First Set of Requests for Admissions. (Mem. & Order, Feb. 13, 2017, ECF No. 143.) Pending review by the three-judge court of two other rulings, however, the order was stayed. (*Id.* 7-8.) The three-judge court has now completed its review and has affirmed the rulings of January 31, 2017, and February 3, 2017. (Mem. & Order, Mar. 13, 2017, ECF No. 166.) Accordingly, the stay of ECF No. 143 is hereby LIFTED.

DATED this 16th day of March, 2017.
