Re: Harkenrider et al. v Hochul et al., Index No. E2022-0116CV

Dear Justice McAllister:

The DRA link to a Congressional map that combines the upstate map revisions to Dr. Cervas' upstate design and my revised downstate map design for downstate that I submitted yesterday is:

<https://davesredistricting.org/join/899a90fa-ef84-4ac8-b8a5-d28026836017>

A chart of comparative ratings of the above map and Dr. Cervas' map from the DRA utility and "Planscore" is attached. By carbon copy of this letter, I am emailing the shape files to Dr. Cervas. If Your Honor decides to use of the design changes reflected in this map from Dr. Cervas' map, no doubt Dr. Cervas' software can eliminate where necessary the very small population deviations in excess of one person.

Thank you.

Sincerely,

/s/

Stephen W. Dunn
