CIVIL ACTION NO. 3:22-cv-00057

ORDER

At the April 12, 2023 discovery hearing, I agreed to review in camera four documents produced with redactions to determine whether the attorney–client privilege justifies the redactions. I was hoping to issue a ruling before Thomas Bryan’s deposition, but was unable to do so. The issues concerning the four documents bleed into the pending Motions to Compel (Dkts. 102 and 103). I need additional time to carefully review the parties’ submissions and the case law. I will issue an order soon addressing all privilege issues at once.

SIGNED this 17th day of April 2023.

ANDREW M. EDISON
UNITED STATES MAGISTRATE JUDGE
